Statement

'Note of the action taken on the recommendations of the Inter- Ministerial Committee

Sl. No.	Brief Recommendations	Action taken by Ministry of Textiles
1	NABARD should explore the possibility to expand the flow of finance through commercial banks to the primary weavers co-operative societies. SIDBI may identify ways of augmenting credit to weavers outside the co-operative fold. State level Standing Committees may be set-up in major Handloom producing States to go into the individual cases relating to problems of credit.	Concerned State Governments have been directed to constitute Standing Committees The States of Kerala, Andhra Pradesh Uttar Pradesh and West Bengal have already constituted these Committees. NABARD has examined the proposal and has stated that it is not possible to make available Nabard refinance through Commercial banks for Primary Handloom Weavers' Societies.
2	The issue of abolition of sales tax/multiple tax on inputs required by the Handloom sector should again be taken up with the State Governments.	The Chief Secretaries and Chief Ministers/ Governors of all States have been requested to abolish sales tax and octroi duties on all inputs used in the handloom sector irrespective of whether they are produced within or outside the States.
3	The proposal for levy of concessional rate of excise duty on dyes and chemicals supplied to handloom agencies may be considered.	The proposal could not be considered by Ministry of Finance in view of the recommendations of the Committee constituted under the chairmanship of Dr. Chelliah to do away with the end-use based exemptions. Ministry of Textiles have however, reiterated the stand and requested Ministry of Finance to re-consider the proposal.
4	A technical group should be constituted to find the ways and means of improving the collection of excise duty from decentralised powerloom sector and processing houses so as to prevent excise evasion by these units.	Ministry of Finance has issued modus operandi circulars to ensure that evasion is prevented.
5	The committee supported the proposal for creation of Handloom Development Fund.	The proposal for creation of a Handloom Development Fund has been withdrawn and in its place the scheme for setting up 3,000 Handloom Development Centres and 500 Quality Dyeing Units in various parts of the country has been approved for implementation.
